### Dear Fellow Members,

It is with great pleasure that we invite you and your family to join us for the Indian Hill Club **Centennial Celebration**. This glorious celebration, spanning two weekends, will feature a **Winter Wonderland** in February and a **Summer Festival** in July 2014.

*Join us in these celebrations as we:*

**Inspire the Future:** Indian Hill would not be the club it is today had not members of every generation been committed to the future. So at this Centennial moment, let's inspire our children and their children to continue that tradition. And, it's the perfect time to rededicate ourselves to the future of the Club, so that 100 years from now, members will be looking forward to the Bicentennial with the same enthusiasm we have today.

**Honor the Past:** The founding members built Indian Hill around four important principles: that the membership would be local, that it would be a family club, that the facilities would be first-rate, and that the staff would be treated as family. Those principles have flourished: Over the past 100 years, over one thousand members have joined the Club; the facilities have grown and improved in ways that would have been unimaginable in 1914; and we enjoy a loyal and dedicated staff, many of whom have been part of the Club longer than many members.

**Celebrate the Present:** And celebrate we will! Indian Hill is blessed with two marvelous venues for the **Centennial Celebration:** the Lodge for the **Winter Wonderland** and the Clubhouse for the **Summer Festival**. The parties, fun activities, and sporting events have all been planned to attract members of all ages with various interests. There will truly be something for everyone.

To commemorate the celebration, a Centennial Cup trophy will be added to our trophy case; the winners of each Centennial Cup contest will have their names engraved on the trophy. *(These events will not replace the annual club championships.)*

We would like to thank our leadership team: Sandy Boles, Mouse Doar, and Luvie Myers, Social Co-Chairs; Jerry James and Peter McNitt, Recreational Co-Chairs; Julie Kennedy, Communications Chair; and Steve Crawford, the Historian. And of course, none of this would be possible without Jeff Belting and our fine staff.

Please take a moment to review the schedule of events and put them on your calendar. Due to the scope and nature of this fabulous celebration, events are open **for members only**. Check the website and watch for emails and newsletters highlighting the upcoming **Centennial Celebration**.
