

OUR MISSION:

We provide our international members and guests with a quality destination that offers a variety of sports, social activities and dining in a relaxed, inclusive and family-friendly setting.

OUR VISION:

We aim to be the leading recreational and wellness destination for the international community in the greater Washington D.C. area.

OUR VALUES

Our values define, direct and preserve the unique principles by which Bretton Woods Recreation Center was established:

International & Family-Friendly

We honor our historical foundation with diversity and family-centered recreation for all generations and cultures

Transparency & Open Communication

We strive for openness and honesty in all our interactions and communications

Financial Responsibility

We provide our members with the best value in a fiscally responsible manner

Quality & Excellence

We expect quality and excellence in your experience and in our service

Respect, Inclusiveness & Integrity

We embrace cultural and generational diversity and strive to treat each other, our members and our guests with integrity and respect

Environmental Responsibility

We remain mindful of our obligations to the planet through sustainable and integrated environmental solutions
